

LEGAL/DISCLOSURES

- KB Financial Partners, LLC is an SEC registered investment adviser that only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. SEC registration does not constitute an endorsement of the firm by the Commission nor does it indicate that the adviser has attained a particular level of skill or ability.
- All expressions of opinion reflect the judgment of the author as of the date of publication and are subject to change. Information presented does not involve the rendering of personalized investment advice, but is limited to the dissemination of general information on products and services. Information presented is not an offer to buy or sell, or a solicitation of any offer to buy or sell the securities mentioned herein.
- Hyperlinks on this website are provided as a convenience and we disclaim any responsibility for information, services or products found on websites linked hereto.
- Past performance is not indicative of future results. Therefore, no current or prospective client should assume that the future performance of any specific investment, investment strategy or product made reference to directly or indirectly, will be profitable or equal to past performance levels.
- All investment strategies have the potential for profit or loss. Changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.
- Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client's investment portfolio. Asset allocation and diversification do not ensure or guarantee better performance and cannot eliminate the risk of investment losses.
- Historical performance results for investment indexes and/or categories, generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment-management fee, the incurrence of which would have the effect of decreasing historical performance results. Economic factors, market conditions, and investment strategies will affect the performance of any portfolio and there are no assurances that it will match or outperform any particular benchmark.
